

Actual Program

1 st day (23 rd June)	
0830-0900	Registration
0900-0910	Opening Remarks <METI>
0910-0930	Program Guidance <METI> - Purpose of this WS, WS methodology and procedure
0930-1010	Session 1: Outcomes from current cooperative schemes <ACE> <i>In this session, ACE will provide a brief overview of the current cooperation under way in the framework of EAS and ASEAN+3, etc.</i> - EAS-ECTF EE&C WS - ASEAN+3 EE & REN forum - ASEAN+Japan
1010-1030	Photo session and Break
1030-1230	Session 2: Legal Framework <i>In this session, a selected number of countries will be asked to make presentations on the legal framework that is necessary to promote energy efficiency, e.g. reporting requirements, targets, action plans, obligations, standards, etc.</i> <i>Key questions are;</i> <ul style="list-style-type: none"> ● <i>What kind of obligations should be placed on stakeholders such as the central and the local government(s), people and enterprises?</i> ● <i>Which sectors and/or factories' size should be targeted?</i> ● <i>What should be included in reporting requirements; energy consumption, intensity, sector common benchmarks, corrective steps etc.</i> - Presentation 1-1(20'): Korea - Presentation 1-2(20'): Malaysia - Presentation 1-3(20'): Viet Nam - Discussion: barriers, challenges, corrective steps, future plans (60')
1230-1400	Lunch
1400-1500	Session 3: Evaluation of Policy Effectiveness <i>In this session, a selected number of countries will be asked to make presentations on the state of energy efficiency and the effectiveness of various policies. One important factor necessary for evaluation is the existence of data on which to evaluate including energy statistics.</i> <i>Key questions are;</i> <ul style="list-style-type: none"> ● <i>How can EE&C improvement be evaluated?</i> ● <i>What kind of data are necessary to conduct evaluation? (i.e. sectoral basis, factory size, etc.)</i> ● <i>How can evaluation lead to new policy measures (Feedback system)?</i>

	<ul style="list-style-type: none"> - Presentation 2-1(20'): Indonesia - Presentation 2-2(20'): Singapore - Presentation 2-3(20'): Philippines
1500-1530	Coffee break
1530-1630	- Discussion: barriers, challenges, corrective steps, future steps (60')
1630-1700	Business Arrangement
2 nd day (24 th June)	
0900-1000	<p>Session 4: Energy Management and Training</p> <p><i>In this session, a selected number of countries will be asked to make presentations on their energy management and training frameworks. Bearing in mind that companies are responsible for energy management but that each company often has limited resources, it is necessary to put in place a framework to facilitate the dissemination of information on energy management.</i></p> <p><i>Key questions are;</i></p> <ul style="list-style-type: none"> ● <i>Are there common basis for knowledge across sectors, or are energy management know-how sector specific?</i> ● <i>What is the role of an energy manager? E.g. regulatory check and monitor energy consumption and related indicators, developing corrective steps and future plans,</i> ● <i>How can companies gain the involvement of top management persons?</i> ● <i>How can the quality of energy managers be ensured?</i> ● <i>How many qualified Energy Managers are necessary for each factory?</i> ● <i>What kind of knowledge do Energy Managers need to have?</i> <ul style="list-style-type: none"> - Presentation 3-1(20'): India - Presentation 3-2(20'): Japan - Presentation 3-3(20'): Thailand
1000-1020	Coffee Break
1020-1120	- Discussion: barriers, challenges, corrective steps, future steps (60')
1120-1200	Drafting of Findings <METI>
1200-1330	Lunch
1330-1430	<p>Summary of discussion <ACE></p> <ul style="list-style-type: none"> - Participants' Findings - Way Forward
1430-1445	<p>Business Arrangement: Secretariats <ACE></p> <p>Closing Remarks <ACE></p>
