

## **ECCJ participated in the Energy Efficiency Event held concurrently with COP21 in Paris on 6-10 Dec. 2015**

Mr. Tanaka, General Manager of ECCJ attended the SE4all related events hosted by the Global Facilitation Team of SE4All and the UNEP in Paris, carried out PR on the result of SE4All forum held in Tokyo and information exchange with SE4All related organizations.

It appeared that Americans and Europeans are making diligent efforts for reducing GHG emissions in cooperation with companies. Ministry of the Environment and Ministry of Foreign Affairs of Japan also set up the event related to the theme.

Although ECCJ was supposed to make presentations on the result of SE4All forum held in Tokyo and the upcoming activities as the Energy Efficiency Facilitating Hub, the session in which presentation to be held was cancelled due to the influence of terrorist attack in Paris.
