

Outline of the Fourth Workshop on Energy Conservation Collaboration for East Asia

1. Actual Schedule

Date and duration : February 9th to 11th, 2010 (3 days)

2. Participants

- 1) As the counterparts of the relevant eight countries, ten energy conservation promotion organizations were invited. The participants were mainly executives of the organization and the total number of the participants was 23.
- 2) The 23 participants consisted of five from two organizations of China, three from two organizations of Vietnam, three from one organization of India, Indonesia and Thailand, respectively, and two from one organization of Malaysia, Philippines and Singapore, respectively.

3. Purpose of the Workshop

- 1) Capacity building of energy conservation organizations
- 2) Reinforcement of the network among the organizations including ECCJ

4. Achievement of the Workshop

- 1) To accomplish the purpose described above, the participants made presentations about energy audit results of factories and buildings having been conducted by each organization, reviewed them and extracted the measures, technologies and equipment they need to promote energy conservation.
- 2) To solve the extracted issues, discussion among related parties and information exchanges with Japanese energy conservation-related companies (collaboration with members of Japanese Business Alliance for Smart Energy Worldwide [JASE-World]) were implemented to enhance diagnostic ability of the organizations.
- 3) Capacity building programs conducted by each organization were introduced to promote information-sharing and to reinforce the network.

Workshop Schedule

DATE			TIME	PROGRAM
2	9	Tue	9:30 ~ 10:00	<ul style="list-style-type: none"> • Program Guidance (Greetings by Mr. Nuibe/ECCJ) • Introduction of Participants
			10:00 ~ 11:00	[Lecture] <ul style="list-style-type: none"> • Energy Conservation Policy & Measures in Japan (Mr. Yasukawa/ECCJ)
			11:00 ~ 17:00	[Presentation and Discussion] <ul style="list-style-type: none"> • The Best Practice on Energy Conservation in Factories and Buildings <China (NECC, MECC), India, Indonesia, Malaysia, Philippines, Singapore, Thailand, Vietnam (ECC-Hanoi, ECC-HCMC)>
	10	Wed	9:30 ~ 12:00	[Participation to ENEX Exhibition] <ul style="list-style-type: none"> • Visit to ENEX Exhibition
			14:00 ~ 17:00	<ul style="list-style-type: none"> • Information Exchange with JASE-World Member Companies about Introduction of High Efficiency Equipments
	11	Thu	9:30 ~ 12:30	[Presentation and Discussion] <ul style="list-style-type: none"> • Introduction of Capacity Building Programs and their Results such as Training Courses, Seminars, etc.
14:00 ~ 17:00			<ul style="list-style-type: none"> • Review of Summary of EE & C Policy in each Country • Discussion on Future Plan
