

**2015 ASEAN-JAPAN Energy Efficiency and Conservation Symposium on Standard and Labeling Policy in Myanmar took place on 18 Dec. 2015 in the presence of Myanmar's MOI Vice Minister, and Mr.J.Sogawa (MD, ECCJ).**

In the ASEAN member states, where significant increase in power consumption has been observed, importance of the energy-efficiency standards and labeling (S&L) system for home appliances, as a part of energy conservation measures in residential field, has been recognized.

Under such circumstances, in Myanmar where the S&L system is yet to be established, the “2015 ASEAN-JAPAN Energy Efficiency and Conservation Symposium on Standard and Labeling Policy in Myanmar” took place on December 18, 2015 at the Summit Parkview Hotel in Yangon.

This symposium was held as a part of the “ASEAN-Japan Energy Efficiency Market Transformation with Information Provision Schemes (AJ-EMTIPS)” hosted by Ministry of Industry (MOI) Myanmar, operated by ECCJ, and coordinated by ACE.

Attendants were as follows; H.E. U Myoe Aung(Vice Minister of MOI, Myanmar), Dr.Joni Jupesta(ACE Manager), Mr.j.Sogawa (Managing Director, ECCJ), related parties from MOI, ACE, ECCJ plus invited speakers from Malasia and Thailand.
