

Outline of the Second Workshop on Energy Conservation Collaboration for East Asia

1. Objectives

- (1) Ability Improvement of Energy Conservation Measures Implementation (Promotion) Organizations
- (2) Network Reinforcement between Energy Conservation Measures Implementation (Promotion) Organizations

2. Participants: max. two (2) persons for each organization

- (1) the presidents of implementation (promotion) organizations for energy conservation in seven countries (China, India, Indonesia, Malaysia, Singapore, Thailand and Vietnam) or the nominated equivalent persons by the presidents
- (2) one (1) person in charge of international cooperation in the above mentioned organization

Total of Participants = 14 persons

- * China: Materials Energy Conservation Center, China
- * India: Petroleum Conservation Research Association : PCRA
- * Indonesia: Energy Management Institute : EMI
- * Malaysia: Malaysia Energy Center : PTM
- * Singapore: National University of Singapore : NUS
- * Thailand: Energy Conservation Center of Thailand : ECCT
- * Vietnam: Energy Conservation center - Ho Chi Minh : CC-HCM

3. Schedule (Duration: January 30 February 1, 2008)

Date			Morning Session	Afternoon Session
January	29	Tue	Arrival	
			Orientation : Communication about business formalities (Executed in order of arrival)	
	30	Wed	9 :30-10 :00: Program Guidance 10:00-10:30: Greeting (METI) + Self-introduction 10:30-12:30: Promotion of Energy Conservation in Japan and ECCJ' Activity	14:00 – 17:00: Presentation - 1 1. Promotion Situation and Problems of Energy Conservation Policy and Measures in each Country 2. Discussion and Clarification of Problems 3. Explanation of Draft Memorandum
	31	Thu	9:30 – 12:30: Presentation - 2 - 1 1. Promotion Situation and Problems of Energy Conservation Policy and Measures in Industrial Sector (China, Vietnam, Thailand and Singapore)	14:00 – 17:00: Visit of ENEX (Attendance in the “ Presentations of Successful Case of Energy Conservation in Factory & Building ” and Exhibition Visit)
February	1	Fri	9:30 – 12:30: Presentation - 2 - 2 1. Promotion Situation and Problems of Energy Conservation Policy and Measures in Industrial Sector (Malaysia, Indonesia and India) 2. Discussion and Clarification of Problems	14:00 – 17:00: Information Exchange 1. Future International Cooperation and Expected Role of "Asia Energy Efficiency and Conservation Collaboration Center" 2. Summary (Memorandum)
	2	Sat	Departure	

4. Points of WS

- (1) Promotion of Energy Conservation in Japan and ECCJ' Activity
- (2) Promotion Situation and Issues of Energy Conservation Policy and Measures in each Country
 - (a) Presentation of Questionnaire (Progress for Energy Efficiency and Conservation Measures) by each Country
 - (b) Discussion and Clarification of Issues
- (3) Promotion Situation and Issues of Energy Conservation Policy and Measures in Industrial Sector
 - (a) Presentation of Questionnaire (Progress for Energy Efficiency and Conservation Measures) by each Country
 - (b) Discussion and Clarification of Issues
 - (c) Discussion on Solution
- (4) Future International Cooperation and Expected Role of "Asia Energy Efficiency and Conservation Collaboration Center"
 - (a) Plan in the Next Fiscal Year: example; Workshop of Specialist of each Country, Exhibition by Turn
 - (b) Expectation and Request to "Asia Energy Efficiency and Conservation Collaboration Center"
