

1. Title of the measure

Support for promotion of energy-efficiency transportation (FY2015)

2. Purpose of the measure

The purpose of this measure is to introduce and develop energy efficiency in transportation sector by establishing energy efficiency business model and adopting the advanced equipment and etc. .

3. Target sector (transport, building, manufacturing, etc.)

Transportat

4. Funds and budget for the measure

5. Method for measuring the effect of the measure (energy consumption reduction, energy cost red

Obtainment of data from the industry regarding the number of units introduced

6. Result of the measure

7. Future tasks

It shall enhance energy conservation measures in the transportation sector where energy
