

1.Name of measure

Mandatory Energy Labelling Scheme (Based on Energy Conservation Act (Chapter 92C) Part III Div 1: Energy labelling and minimum performance standards for registrable goods)

2.Purpose of measure

To help consumers make informed choices when buying registrable appliances. Adoption of energy efficient appliances can help to reduce electricity consumption and lower the household's electricity bill.

3.Outline and applicable sectors (transport, buildings, manufacturing, etc.)

Household sector

4.Financial resources and budget allocation of measures

Administrative costs only

5.Method to measure effects of measures (reduction in energy consumption and energy cost, etc.)

not available

6.Results of measures

All registrable appliances carry the energy label.

7.Future tasks

Extending Mandatory Energy Labelling to other appliances in future.

8.Others

not available
